

This form is aimed to assist in the collecting of information regarding young people under 18 years of age, who are looking to join Scouting.

The form is designed so that the information is collected in the correct order to help with the inputting of information onto Compass, The Scout Association's online membership system.

New members of Scout Network who are also new to Scouting should complete the Adult Information Form.

Those young people aged 14 years and over should complete the Communications Preferences section and sign the form.

Parents/guardians must sign the form.

Personal data will be stored on the system to support the application process and current and potential future involvement in Scouting. Some information is considered sensitive personal data under the Data Protection Act 1998 and as such will be managed as required under the act. Further information can be found at **scouts.org.uk/dataprotection**. Parents/guardians will be able to edit their own and their child's data on Compass; and young people can edit their own details.

Communications

The Scout Association will not sell or promote products to those under 14 years of age. All communications to those under 14 will also be sent to parents/guardians.

Ethnicity and Religious Information

This information is requested by The Scout Association to help in monitoring its membership. The data will help the Association in understanding the makeup of the membership; monitoring progress against its inclusivity objective, and prioritising development work both nationally and locally, and will identify and help Leaders meet any specific needs of individuals.

You can update the personal information on Compass, after registering, at any time.

Once the information has been added to Compass, this form will not be retained.

Please complete in block capitals. Yellowed out boxes are compulsory fields on Compass.

Gift Aid

Make your gift do more. By ticking the box above, you will increase the value of all donations and subscriptions you have made for the past four years and for future donations until you notify otherwise. To qualify for gift aid you must pay an amount of Income Tax and/or Capital Gains Tax for each tax year (6 April to 5 April) that is at least equal to the amount of tax that all the charities or Community Amateur Sports Clubs (CASCs) reclaim for that tax year (currently 25p for each £1 you give). Taxes such as VAT and Council Tax do not qualify.

Communications Preferences

The Association, at all levels, will use your details to contact you with information relevant to Scouting. Youth members 14 years of age and over should also confirm their communications preferences as we may contact them directly.

Additionally, from time to time we would like to contact you with details of news, products, offers and services from The Scout Association and local Scouting in your area (Group, District etc).

Let us know if you would prefer not to receive information about any of the following:

| I do not wish to receive details: | Contact 1 | Contact 2 | Young people aged 14 years and over |
|--|-----------|-----------|-------------------------------------|
| about Scout Activity Centres and campsites | | | |
| of events and fundraising opportunities | | | |
| from Scout Shops Ltd | | | |
| of insurance for Scouting | | | |

Contacting you with the above information will support Scouting activities. All profits go straight back into Scouting to support the development of our leaders and growing Scouting around the UK, including areas where young people do not currently have the opportunity to join.

Partners or Third Parties

We may also have information, offers and opportunities for Scout members and supporters from carefully selected third parties or organisations that the Association may partner with.
